Dear Mr Saperstein:

Thanks for your letter of March 7th. Mr Manley felt he wanted to take a gamble this year with The "Ligs". I certainly hope it is for the best. My attitude hasn't changed one bit, but I have no choice but to go along.

However I have had a thought, and in this matter Mr Manley agrees with me. I hope you will see it as I do. I am almost sure you will. In going over my schedule, I find The Eagles and The Cubans are booked to play each other Sunday June 7th. I also see Detroit is not home that day. Now if you could get Briggs Stadium, and promote this attraction for that day, you would really be doing something. We can not be in Newark. We are also booked with The Stars the following Sunday, and cant be in Newark either, and Detroit is also open that day. However I would prefer June 7th with The Cubans.

If this can be done, and yu are interested in doing it, I think the smart thing to do would be keep all arrangements quiet for a while, and make it look like The Eagles secured the park. There could not be any possible argument against that. This affords a swell oportunity to get some satisfaction for both of us. It seems to me if the park will let any one have it they should let you. If it would help any I could try and contact some colored group in Detroit. I imagine everyone is trying to get the park so you will have to get busy, and be pretty smart.

Let me know right away what you think of it, even before you get to work.

Very Truly Yours
